Our school vision is: LIFE in all its fullness - now and in the future.
John 10.10 Jesus said, "I have come that they may have life, and have it to the full".

3rd March 2023

Dear Parents,

World Book Day

The children looked resplendent yesterday in their World Book Day costumes; we loved the creativity and imagination of them all! The children have all enjoyed completing book related activities in their classes all week. We have all enjoyed looking at the photos of the children reading in unusual places and admired the brilliant potato book characters. Thanks parents, for supporting our World Book Day activities.

Cross Country

Congratulations to all the children who competed in the District Sports Day on Monday this week. The children competed with courage and determination and we were proud of their effort and competitiveness. Congratulations to our top runners: Aiden, who achieved 7th place and Erin, who achieved 11th place.
