Our school vision is: LIFE in all its fullness - now and in the future.
John 10.10 Jesus said, "I have come that they may have life, and have it to the full".

8th March 2024

Dear Parents,

Happy Mother's Day on Sunday to all you wonderful and awesome mums out there. I hope you have a super day.

This week we had a fantastic Collective Worship, led by Dr Rowlings. All the children in the school have been working on their entries for the *If I were an Engineer* STEM competition; coming up with innovative ideas to solve problems in the world. Dr Rowlings came to speak to us about his job as a scientist and engineer, all about electromagnetism and how he solves problems in his work. The children were really interested and asked deep-thinking questions. Thank you Dr. Rowlings.

If anyone else would like to come to speak to the children about their jobs to inspire and teach the children about different careers, please be in touch; we'd love to have you!

World Book Day

We were stunned and amazed at the outstanding and creative books that the children bought in for World Book Day. There was certainly a lot of time and effort put into them and the children loved looking at each other's books in the hall yesterday afternoon. We had books like, *The World's Bluest Book*, *The World's Weirdest Animals Books*, *The World's Friendliest Book* and even a book made from bread and strawberry laces! The children also loved sharing their favourite books during Tribe Time this afternoon.

Football matches

Yesterday, the girls' and boys' football teams played matches against Bocking School. Both teams played courageously and gave their best but conceded to two very strong teams, the girls lost 4-2 and the boys lost 4-0.

Congratulations to the children who received certificates in Celebration Collective Worship this week

Class One:

Oliver - for some super sound learning!

Class Two:

Annabelle - for your amazing sewing this week
