Our school vision is: LIFE in all its fullness - now and in the future.
John 10.10 Jesus said, "I have come that they may have life, and have it to the full".

Dear Parents,

EYFS/KS1 Assembly

It was truly uplifting to see the children in Class 1 and 2 in their assembly this week. Their confidence in speaking, acting and singing was remarkable! The children shared their learning journey and showed some wonderful artwork. Thank you to all the staff and children for your hard work in putting together a brilliant assembly.

Pentecost

Reverend Jonathan was in this week for Collective Worship. He taught the children all about Pentecost and had them all doing a Mexican Wave to show the wind of the Spirit in the disciples. He was very impressed with the knowledge that the children had of different festivals around the world.

World Bee Day

Mr Stark, one of our governors, came to school on Wednesday for World Bee Day. He also brought in some bees for the children to look at. They all enjoyed learning many interesting facts about bees and Mr Stark was also impressed with some facts that the children already knew.

As part of our LIFE vision, E is for environment, so we also talked about our role as citizens in looking after the environment in order for bees to survive.

Grandparents' Day

In the diary dates I sent to you in April, we had Grandparents' day scheduled for 10th June. Due to timetable constraints, we have had to move this to 24th June. This will take place from 9-10:20am. Further details about this will be sent you to after half term.

Father's Day Breakfast

Father's day breakfast flyers were sent home this week. Please make sure you return your orders by Wednesday 10th June. If fathers are not able to come, granddads or significant males are more than welcome!
