Our school vision is: LIFE in all its fullness - now and in the future.
John 10.10 Jesus said, "I have come that they may have life, and have it to the full".

24th May 2024

Dear Parents,

On Monday, a team of children from Years 1-6 attended the Notley Family of Schools Friendly Games, hosted by John Ray Juniors School. They were put into teams with children from other schools and took part in a variety of activities: speed bounce, golf, archery and an obstacle course. They earned points for their team at each event and the eventual winners were the blue team! The children loved the event in the lovely sunshine.

Boys' football vs Rayne

The boys played against Rayne yesterday afternoon, starting with an early goal from Ryan, putting White Notley into the lead. The score at half time was 3-1 to Rayne. Ryan and Luca gave the team a rousing pep talk at half time and the team came out positively. The fast feet and kicking boots from Ryan and Oliver T scored 3 goals in the second half, which meant a convincing win for White Notley! Final score 4-3 and man of the match was Luca. Congratulations, boys. Thank you to Mrs Thomas for taking the team to the match and your coaching.

Girls' football match vs Notley Green

The girls played against Notley Green on Wednesday 15th May. It was a hard-fought game, with much improved team work and passing and a very close score line, losing narrowly by 1-0. Thank you to Mrs Thomas for taking the team to the match and your coaching.

Year 6 netball match vs Notley Green

What a fantastic way to end SATs week last Friday, with an after school match against Notley Green in the wonderful sunshine. The Notley Green team is formidable, with all the girls playing for Braintree. Earlier in the year we lost 23-3 to them, so we knew it was going to be a hard battle. The improvement in the team was outstanding, particularly with passing, interceptions and accuracy of shooting and I was very proud of them all! The final score was 19-8 to Notley Green.

School Dinners

Thank you to those that completed our school dinner survey. It has been very useful in us beginning to adapt our menus, provide more variety for pupils and ensure quality meals. We have updated the menu for next half term with some of your suggestions, to see how popular these dishes are with pupils. This is not a finished menu; it is merely updated to reflect the most popular suggestions to begin with to see take up. It will continue to evolve and include new and other suggested dishes, as we work to ensure the best take up of school dinners; alongside providing the best menu we can.

Thank you for your support in this process, please do encourage your children to try the menu and we will be asking for feedback on the new items later in the term as well as monitoring take up.

Please see the new menu below, this is now on school money and can be booked. We return to school on Tuesday of Week 2. Please continue to ensure dinners are booked in advance to help us with food purchases and wastage costs.
