Our school vision is: LIFE in all its fullness - now and in the future.
John 10.10 Jesus said, "I have come that they may have life, and have it to the full".

15th March 2024

Dear Parents,

This week we had Collective Worship from Rev. Nikki and Rev. Roman. The children used eggs to find out the Easter Story and learn about Holy Week. Rev. Roman has not visited the school for a number of years and he said that the children's singing and R.E. knowledge was amazing, the school was very friendly, our displays are wonderful and the children who showed him around were fantastic.

Governors

I want to give a shout out to our governors. They give up their time tirelessly to support and challenge the leadership of the school as well as helping in numerous other ways.

Just this week we have had our governors do these things

- looking at maths and English;
- listening to children read;
- running Super Sonic maths and Astronomy Clubs;
- checking health and safety in the school;
- and attending either a meeting about curriculum, standards, welfare and monitoring or finance and personnel.

We are very fortunate to have such dedicated governors, who care very deeply about our school and who help make our school the very special place it is.

PTA

Thank you to the PTA for organising the Mother's Day biscuits and helping the children make them. I've heard that they were very delicious!
