Our school vision is: LIFE in all its fullness - now and in the future.
John 10.10 Jesus said, "I have come that they may have life, and have it to the full".

10th June 2024

Dear Parents,

We hope you all had a lovely half term. It was lovely to see some sunshine last week; please remember to apply sunscreen to your child on sunny days and send them in with a hat.

Sporting Fixtures

On Thursday last week, the Year 5/6 boys competed in a football tournament. They played four matches, where they drew two and lost two. Jacob and Fin scored goals. The whole team showed great sportsmanship and effort and their final placing was 4th. Mrs Thomas is very proud of the team; the huge progress they've made and how well they've worked together.

After school on Friday last week, 20 netballers from Year 5 and 6 competed in a tournament at Notley Green Primary. The competition was fierce and the players all showed wonderful sportsmanship and great netball skills. The A team came 3rd and the B team came 5th. Congratulations to you all and thank you to the support by many parents who came to cheer on the players.

After school tomorrow, the boys have a home match at WNFC against Great Bradfords. On Thursday, the Year 5/6 girls are competing in a football tournament. The children are so lucky with the opportunities they get at our school!

Enterprise

This week is Enterprise Week. The children in Class 4 have been put into 6 groups and have each developed a business, their profits going to a charity of their choice. They will be selling to Class 1, 2 and 3 on Tuesday, Wednesday and Thursday from 1-3pm. Please send in money in a named envelope, purse or wallet. Thank you for your support.

STEM certificates

Our STEM certificates have arrived and were given out to the children in Collective Worship last week.

Grading Criteria

- **Pass**
- **Merit**
- **Distinction**
- **Distinction Shortlisted** - These entries were submitted to the final round of judging with VIP's from the engineering world.

We were so proud of receiving so many distinction shortlisted certificates; proving that our children are creative, excellent engineers and fantastic problem solvers!

Staffing News

In September, we will welcome the return of Mrs Horsley (otherwise known as Rev. Nikki!) to teach Class Four with Mrs Fitzpatrick. We are very excited to have Mrs Horsley back teaching in our school. Sadly, Mrs Reynolds is leaving White Notley but promises to come back to cover any classes when needed; and is going to go to Danbury with Class Four for the residential in September. Thank you, Mrs Reynolds for everything you have done since you started at White Notley in 2015, you are a super star and we will miss you immensely!

Tribe Points

Congratulations to Meru Tribe, who were the winners of the team points this week! They enjoyed their prize of extra playtime.

Diary dates the week beginning 10th June 2024:
