Our school vision is: LIFE in all its fullness - now and in the future.
John 10.10 Jesus said, "I have come that they may have life, and have it to the full".

19th January 2024

Dear Parents,

Thank you to all the parents who came to our Christingle Service on Wednesday. It was a WOW service and Rev. Jonathan taught us to be the light by being kind, caring and helpful. The children did really well with their readings and singing.

Website

We have been updating the photo gallery section of the website, take a look! It's under the school life tab. There are photos of what each class got up to in the autumn term as well as church services, Hilltop and my trip to Kenya.

News from Kagio Primary School, Kenya

I received this message earlier in the week.

"Grade One and Two have received the pencils that you brought. They have thanked you and even said, 'God bless you.'"

The grade 8 children had their end of year national examinations and I'm pleased to report that their mean score has improved and the majority of the children are off to high school.

Class 4 children chose not to receive a present from the staff in Class Four last year, instead they asked to send the money we would have spent on the children to Kagio Primary. We have sent the money and some of it will help purchase some uniform for the children, as well as sanitary products for the older girls.

Sadly, they lost a student recently, who had a brain tumour. Please keep the staff, children and his family in your prayers.

Congratulations to the children who received certificates in Celebration Collective Worship this week

Class One:

Oliver - for trying really hard with his name writing

Class Two:

Loula-Belle - for beautiful singing in the church

Olivia- for your resilience and bravery when singing in the church

Class Three:

Jack C - for wonderful effort and focus with learning groups and trying hard with reading

Joe - for amazing progress with spellings and super enthusiasm in group work and times tables

Class Four:

Bethanie - for showing increased confidence and progress in grasping new mathematical concepts and skills

Elodie - for your effort in writing your Pandora's Box myth

Congratulations on your achievements

- Connor, for achieving man of the match in your football game last weekend
- Maya, for becoming a sixer at Brownies
- Alfie, for achieving man of the match in your football game last weekend
- Bethanie, for coming 4th with your relay team in the Essex Age-Group championships
