Our school vision is: LIFE in all its fullness - now and in the future.
John 10.10 Jesus said, "I have come that they may have life, and have it to the full".

10th May 2024

Dear Parents,

We wish the Year 6 children all the very best for their SATs next week. They will have spelling, punctuation and grammar tests on Monday, reading on Tuesday, arithmetic and maths reasoning on Wednesday and maths reasoning paper 3 on Thursday.

New Reception Parents Meeting

It was wonderful to meet the parents of our new reception class on Tuesday evening and we welcome you to our lovely school. We look forward to seeing you again on Monday 17th June at 12:30pm!

Confirmation

Congratulations to William and Miles, who were confirmed last weekend. May you continue to grow spiritually and may your faith always be strong.

STEM Winners

We are so delighted that we have 3 winners in this year's STEM, If I were an Engineer competition: Nancy and Keira in Year 6 and Molly in Year 5. Nancy's idea was safety jewellery, Keira's a space junk collector and Molly's an insulin gel for Type 1 diabetics. They will be attending a special awards ceremony at Anglia Ruskin University next month, along with the highly commended pupils: Darcy, Flynn, Amalia, Ava-Bluebell and Jacob (Year 6). Congratulations on your wonderful ideas!

Warmer Weather - at last!

It has been lovely to see the sun this week; the children have been really interested in the box caterpillars in the playground and observing them under microscopes. The reception children are following their class's caterpillars eagerly, too. Please remember to keep sun safe and apply sun screen to your child before school and send them in with a hat.

New Interactive Whiteboards

This week we have had new interactive whiteboards installed in all the classrooms. The teachers are very excited to have such up-to-date technology and so are the children! Hopefully we should shortly have our 16 new iPads that the PTA have purchased.
